

Photorama 2024

Join the NJ Federation of Camera Clubs for Photorama 2024, for a day long celebration of photography with professional photographers Ken Hubbard and Alyce Bender, sponsored by Tamron.

During the morning sessions Ken Hubbard will take everyone on a photography journey with his program “Traveling Near or Far: A guide to better travel Photos” A great travel and photography adventure starts long before you leave home. Ken will discuss all the stages of planning your next great travel experience. Start ing with research and planning, what gear to pack, and finishing with creating images that tell stories that last a lifetime.

The afternoon session begins with the “Seven Principles of Wildlife Photography” with Alyce Bender. The program will explore the principles that elevate an image regardless of the specific genre within nature photography. The session covers the key aspects of nature photography, defining them and discussing how to achieve them.
