A few words...

A few "last" words...

Well, it's the last issue of 2003, and that means it's my last issue. It's time for me to end my reign at *The Cable Release*. It's hard to believe it's been 5 years since I took over from former editor Ira Finke! I'd like to thank my family and friends that helped with the monthly copy/collate/staple marathons, as well as all the contributors that submitted articles and other content. I'd especially like to thank Ray Armstrong for taking over the duplication duties after my copier took its swan dive... on top of all his other NJFCC duties! It's been a pleasure working with everyone at the Federation. Best wishes to all!

- Barb

If you're interested in becoming the editor of *The Cable Release* or would like more information, please contact Barbara Svachak at 732-680-0708 or bsvachak@worldnet.att.net as soon as possible.

Congratulations are in order ...

We'd like to extend our congratulations to Ridgewood Camera Club and its Webmaster for receiving 2nd Place in the annual PSA website contest. Great job!

Photorama 2003

On November 10th, camera club members from across the state (and even beyond!) converged at the Holiday Inn in Carteret to attend this year's Photorama. Competitions, models, vendors, and wonderful speakers filled the packed day. We'd like to extend a special thank you to Diane Krajenski, Photorama Chairperson, and her team for their hard work and dedication in organizing and running the event.

Rick Sereque presents his program, "The Art of Travel Photography" to a the Photorama attendees.
