Gus Cantelmo – In Memoriam (1914-2004)

On April 5, 2004 Gus Cantelmo passed away, he was 90 years old. Gus had a long photographic life. In 1951 Gus and I attended a meeting at the Suburban Hotel in Summit with about 20 members of different camera clubs. This meeting was to plan and finalize the forming of the New Jersey Federation of Camera Clubs.

Gus represented Tri-County Camera Club of which he was a charter member. He remained a very active delegate from Tri-County of the NJFCC for many years.

Gus was an excellent Mono Printer, and he was a Master of a technique, which was using a paper negative process. Many of the old school photographers used this process. During the Cold Wars years Gus was invited to send 20+ prints to the Soviet Union for a Traveling Exhibition that went all over the Soviet. He also has 20+ prints in the PSA Permanent Print Collection. Gus enjoyed going to New England and the Maritime Provinces of Canada to photograph Seascapes, of which he was a Master.

During his lifetime in the business world he was an Industrial Sales Representative for Schafer Camera in Newark and later with Victor Camera on Bloomfield Ave. in Newark. In 1992 Gus retired and he and his wife Helen moved to Toms River and Gus became a member of the Ocean County Camera Club.

Gus is survived by Helen, his wife of 65 years, sons Andre and John and daughter Amy, his brother Fred, and his sister Phyllis Ferrara, 5 grandchildren and 4 great-grandchildren. We will miss him.

Condolences can be sent to:

NJFCC- PRINTS - ADVANCEMENT TO CLASS-A LEVEL

After a review of the NJFCC Print Competition results for the last three seasons, the NJFCC is happy to announce that the individuals below have received sufficient award points to advance them to the Class A Level. The current NJFCC criteria for this achievement is the accumulation of 8 or more points in a one to two year period.

Points assigned are as follows: 6 for Plaque, 5 for a medal, 4 for a Merit award, and 2 for an HM. Since the Merit award was only instituted this last 2001-02 season, a special review of the scores of the previous 2 seasons was made and appropriate recognition (and advancement points) was given to those who had scores equal to or the next lower score to the medal winners in those contests. Congratulations!

* indicates some points achieved in TOPS against Class A as well as Class B photographers.
