NJFCC Citation at Photorama

FROM THE WEB SITE November 12, 2005: The New Jersey Federation of Camera Clubs presents an honor, the NJFCC Citation, to those who have advanced photography in the state of NJ. The Federation has established the policy of awarding public recognition to individuals who have made major contributions to the advancement of the art and science of photography in the State of New Jersey. This award is identified as the NJFCC Citation and it is the highest individual honor bestowed by the Federation. Over the past 43 years there have been 109 recipients.

At PHOTORAMA 2005 the Honors Committee, consisting of Keli Dougherty, Chair; Diane Krajenski and Ben Venezio, announced its selection for this year - recognizing Vinnie Kempf. Following is the letter read to PHOTORAMA attendees:

The New Jersey Federation of Camera Clubs extends its best wishes for a Wonderful Holiday Season and Happy New Year!

A Special Issue

If you check the archives you'll note that, generally because there is no Delegates Meeting in December, we've not published a Cable Release Issue for that month. If there's no news that's probably OK, but if there something noteworthy . . . Well, why not?

Obviously, the key is copy and there are a couple really good stories. So, together with Club Happenings, enjoy a shorter, but significant December Issue.

Wish I Said That

"The question is not what you look at, but what you see!"

Henry David Thoreau

Spotlight on Member Clubs

The Gateway Camera Club of Staten Island

The Gateway Camera Club of Staten Island was founded in 1990 to provide an organized forum for both amateur and experienced photographers to come together and develop their art. Through quality educational and entertaining programs, hands-on workshops, field trips and seminars, photography enthusiasts get together regularly from September through

June, and also at special extra-curricular gatherings, to learn from one another and from experts in the field, to increase photographic knowledge, enjoyment and experience.

The Gateway Camera Club also sponsors inter-club photography competitions for its members in slides and black and white and color prints, whether they are made in a home darkroom, processed in a professional lab, processed at a local shop or created on a home computer.

We are proud to be members of The Photographic Society of America (PSA) and of the New Jersey Federation of Camera Clubs (NJFCC), as well as active participants in the Cosmopolitan Chapter of the PSA, which covers most of the tri-state area.

Led by President, Jimi Iannizzotto for the last 10+ years and newly elected Vice President, Carmen Alonso, Gateway is always conducted professionally and respectfully for all who walk through our doors. Come see why our speakers and judges have labeled us "The Friendly Club From Staten Island", and why they enjoy coming back to us time after time. Our warm, family-like atmosphere will make you feel welcomed from the moment you enter and are greeted at our doors.
