PSA INTERNATIONAL EXHIBITION OF PHOTOGRAPHY

The Ridgewood Camera Club holds a Photographic Society of America International Exhibition of Photography. We are now receiving entries to our 25th International. We would like to invite our many friends in New Jersey to join us in this endeavor.

The South Jersey Camera Club offers a medal to the Best New Jersey entrant in the Color Projected Image Division's Open section. Entries can be submitted in this section, digitally and or with slides. We are also having two Nature Sections this year. The first is Nature Open, digital only. Open means any nature subject can be entered subject to PSA Nature definitions. The second Nature Section is Wildlife only. This is also only digital. There the subject matter is limited, also subject to PSA definition.

Entry forms can be had by e-mailing Chick Chakarian at chick440@optonline.net . Forms are also available on our website <http://www.ridgewoodcameraclub.org> and click on International Exhibition.

The purpose of an International is to advance the art of photography. All top scoring slides will be shown at six New Jersey camera clubs.

Entrants who score high receive acceptances which lead to high recognition. The judging days are Feb. 1 and Feb 2, 2008. Entries must be received by Jan. 23, 2008. Join us.
