

THE CABLE RELEASE

Volume 59, No. 9
April 2012

Organized for the mutual advancement and enjoyment of photography .

PHOTORAMA 2012 A SUCCESS

For this attendee, Photorama was a real success. Speaker Jack Reznicki provided interesting material, injected humor where appropriate, demonstrated obvious expertise and was, after all is said and done, a delight.

Though I never thought a session on Model Releases and Copyrights would have any interest to most of the attendees, I was amazed that so few of the total left the FEA Conference Center before the program ended.

One of the things I appreciated was the fact that the speaker wasn't focused on Nature Photography, something that has been the standard for the past several years. Thus, the program, in my humble opinion, covered more of the aspects of photography that I'm interested in [with all due respect to Nature Photographers.]

The FEA Conference center was pretty neat. Of course, I realize there was a problem with the color definition of images projected. But, really, that was a minor issue in the grand scheme of things.

Hunt's Photo was unbelievable. Gary Farber brought three of his staffers and all the other advertisers were terrific. From my point of view, all vendors appeared to be doing quite well.

We must thank Ken Curtis of Cranbury digital Camera Club, who coordinated things; and we must thank the several folks from Cranbury [names unknown] who provided assistance throughout the day.

For \$30.00, attendees were rewarded. And, of course, as a fundraiser for the Federation, the Treasury was enhanced.

NJFCC CITATION

The Federation's NJFCC Citation was awarded to John Sandstedt, a member of both the Camera Club at Greenbriar@Whittingham and the Monmouth Camera Club at Photorama 2012.

The award is given to those who have made major contributions to the advancement of the art and science of photography in the state of New Jersey. It is the highest individual honor bestowed by the federation.

John nomination was sponsored by Stan Jacobson NJFC and fellow club member Bernie Solomon.
