

# THE CABLE RELEASE

Volume 60, No. 11

June 2013

Organized for the mutual advancement and enjoyment of photography .

## END OF THE YEAR 2012-13

The Delegates are on hiatus until August, so that means this is the last issue of the Cable Release until late July [the August issue.]

It's been a great year, with lots of terrific happenings, contests, etc. And, of course, this year's Photorama. Watch for more next year. Enjoy your summer. And, in the words of Bryan Peterson, "You keep shooting."

## NEW EQUIPMENT REVIEW ON HIATUS TOO

Be sure to watch for the new season of The Cable Release, which will begin with the August 2013 issue. We've been advised that Keith Patankar of Hunt's Photo will be back with his reviews of unique photo equipment released by a variety of manufacturers.

**HUNT'S PHOTO: A LEADER IN THE PHOTO BUSINESS WITH PERSONALIZED SERVICE**

Hunt's is an icon in the photographic, video and digital imaging business. Our Company was founded in 1889 and over the years we have gained the reputation as the destination location for imaging products throughout New England and the USA. We have grown and evolved to a staff of 100 people operating throughout New England with a team of professionals traveling the USA reaching out to our customers across the nation. Today we specialize in digital products including consumer cameras, consumer and professional digital SLR's, consumer and professional printers, inkjet media and inks. We offer competitive everyday pricing and free ground shipping in the lower 48 states. What differentiates Hunt's Photo from our competitors is the personal service we offer and our tireless effort to build long lasting relationships with the customer.
