

THE CABLE RELEASE

Volume 62, No. 1

August, 2014

Organized for the mutual advancement and enjoyment of photography.

WELCOME TO 2014-15

Welcome to the 62nd "running" of the NJFCC operating year!

We certainly hope you had a grand summer and that you were able to make some great pictures. I know my wife and I did just that as we celebrated our 50 anniversary in Tuscany at a villa rented by our kids and my younger boys in-laws [celebrating their 49th,] children and grandchildren. Venice, Florence and the large and small towns in Tuscany. Hard to imagine whether the views or the tastes of Chianti were more lasting.

But, to business . . .

During the summer the Trustees and certain committee chairpeople met to discuss Federation plans. Most significant, perhaps, are rules changes for our competitions. Please check out these changes on the web site. Note, the Travel Competition has been eliminated from Pictorials. Also, in all Projected Image Contests, the number of images a maker may now enter per competition in one (1); the number of images a club may enter is unlimited.

Marie Kane will continue as Nature Competition Chair. Eric Mayr and Dennis Arculeo will co-chair Print Competitions. Nick Palmi-

eri and Al Brown will continue to co-chair Pictorial Competitions. Of course, check the web site for dates and locations of our Competitions.

The Board of Trustees has extended the Payback Program designed to help defray the cost of Speakers and Judges. The form to use to obtain payment for speaker fees can be obtained from the NJFCC website, www.njfcc.org, at: **Information>Documents>NJFCC Payback Program Form**. To qualify, your club need only be a member of the NJFCC for one year.

Photorama 2014 has been scheduled and Photorama Chair Lou DeVito is awaiting the signing of contracts before announcing the speaker. The details probably won't be posted on the website for a few months. It will again be held in the FEA Conference Center, 12 Centre Drive, Monroe Township, NJ 08831 and we expect more vendors than ever before.

As usual, we're certain some clubs will be starting their club years with new officers. Please take the time to make the web site changes for your club. Also, please update your meeting schedules.

Roamin' with Roman Photo Tours

Roamin' with Roman Photo Tours runs instructional small group tours and workshops that cater to photographers who don't want to get lost in a crowd!!!

When comparing prices, remember that my tours include lodging (based on double occupancy) and transportations from the departure point.

I run tours to Arches, Canyonlands, Monument Valley, Zion, Bryce, Yellowstone, Grand Tetons, Florida for birds, Iceland, Tanzania, and more! See the schedule & galleries on my website for all the details and dates.

I personally lead all my tours and workshops. I take only 4 participants on my US based tours to ensure a more intimate teaching and learning environment. This small group size also gives me greater schedule flexibility. It allows me to modify the itinerary instantly, even accommodations, as weather or shooting conditions change. No other photography tour company can say that!

Tibor Vari
Photo workshops

T-Tours runs one or two photography workshops in the Western US each year. Trips are focused on getting great photographs whether you are a beginner or a seasoned pro. All trips are limited to 4 participants with a minimum of 3.

Details on these workshops are on my website
<http://www.tiborvari.com/workshops/workshops.htm>

I run tours to all the major national parks in the West, including Yosemite, Olympic, Mt. Rainer, Arches, Canyonlands, Great Sand Dunes, Rocky Mountain, and areas such as the Eastern Sierra's (Mono Lake), and Colorado Fall Colors. These locations are almost in my back yard as I am now based out of Colorado.

Specific details of workshop locations can be found on my website and can change depending on weather conditions and lighting. The small group allows for a very intimate photography experience and a good time for all. I'll make sure to get you to the best locations for sunrise and sunset.

Prices include lodging, vehicle, gas and pickup/drop-off from the start location. Participants need to make their own flight reservations. Food is not included. My contact information is below.
