NJFCC CITATION

The New Jersey Federation of Camera Clubs presents an honor, the NJFCC Citation, and has established the policy of awarding public recognition to individuals who have made major contributions to the advancement of the art and science of photography. This award is the highest individual honor bestowed by the Federation.

The Citation Committee consists of John Sandstedt, NJFC, Chair; George Hall, NJFC; and Greg DeAngelis.

To nominate a candidate two forms must be completed. The first, the Proposer's Form, presents the accomplishments of the nominee as describe by the Proposer. The second, the Endorser's Form, is an independent endorsement of the nominee by another party.

Copies of the instructions for nomination and the required Forms can be obtained from John Sandstedt at jsandstedt@comcast.net. Completed nomination documents must be returned to John Sandstedt. The deadline for receipt of the Proposer's Application and Endorser's Forms is February 15, 2014. The recipient of the NJFCC Citation will be announced at Photorama 2015.

Roamin' with Roman Photo Tours

Roamin' with Roman Photo Tours runs instructional small group tours and workshops that cater to photographers who don't want to get lost in a crowd!!!

When comparing prices, remember that my tours include lodging (based on double occupancy) and transportations from the departure point.

I run tours to Arches, Canyonlands, Monument Valley, Zion, Bryce, Yellowstone, Grand Tetons, Florida for birds, Iceland, Tanzania, and more! See the schedule & galleries on my website for all the details and dates.

I personally lead all my tours and workshops. I take only 4 participants on my US based tours to ensure a more intimate teaching and learning environment. This small group size also gives me greater schedule flexibility. It allows me to modify the itinerary instantly, even accommodations, as weather or shooting conditions change. No other photography tour company can say that!

The Link to Hunts Specials works from the ad inserted into the original Publisher file. When that file was used to create the PDF file e-mailed directly or placed on the website, the linkage is lost.

I'll be working with Keith Patansky of Hunt's to try to resolve this issue. In the meanwhile, I'll send the original ad to your club's Cable Release Person. S/he can send it all club members or to you by special request.

Tibor Vari
Photo workshops

T-Tours runs one or two photography workshops in the Western US each year. Trips are focused on getting great photographs whether you are a beginner or a seasoned pro. All trips are limited to 4 participants with a minimum of 3.

Details on these workshops are on my website
<http://www.tiborvari.com/workshops/workshops.htm>

I run tours to all the major national parks in the West, including Yosemite, Olympic, Mt. Rainer, Arches, Canyonlands, Great Sand Dunes, Rocky Mountain, and areas such as the Eastern Sierra's (Mono Lake), and Colorado Fall Colors. These locations are almost in my back yard as I am now based out of Colorado.

Specific details of workshop locations can be found on my website and can change depending on weather conditions and lighting. The small group allows for a very intimate photography experience and a good time for all. I'll make sure to get you to the best locations for sunrise and sunset.

Prices include lodging, vehicle, gas and pickup/drop-off from the start location. Participants need to make their own flight reservations. Food is not included. My contact information is below.
