NJFCC CITATION

The New Jersey Federation of Camera Clubs presents an honor, the NJFCC Citation, and has established the policy of awarding public recognition to individuals who have made major contributions to the advancement of the art and science of photography. This award is the highest individual honor bestowed by the Federation.

The Citation Committee consists of John Sandstedt, NJFC, Chair; George Hall, NJFC; and Greg DeAngelis.

To nominate a candidate two forms must be completed. The first, the Proposer's Form, presents the accomplishments of the nominee as describe by the Proposer. The second, the Endorser's Form, is an independent endorsement of the nominee by another party.

Copies of the instructions for nomination and the required Forms can be obtained from John Sandstedt at jsandstedt@comcast.net. Completed nomination documents must be returned to John Sandstedt . The deadline for receipt of the Proposer's Application and Endorser's Forms is February 15, 2014. The recipient of the NJFCC Citation will be announced at Photorama 2015.

SPECIALS FROM HUNT'S PHOTO

My name is Alan Samiljan. Gary Farber asked me to be your organization's liaison with Hunt's Photo & Video in Melrose, MA. My goal is to offer you and your members/students the highest level of service in their photo gear purchasing.

My goal is to send you monthly specials (10 times per year) that you can forward to your members and students. Please let your people know that they can contact me anytime for preferred pricing and fast shipping. If you wish you can send me a list of items your people would like to see on special and Gary and I will try to work those items into the mix.

In the mean time, here is a special you may have seen before but is still excellent! Canon has extended this rebate until 2/28/2015. At this time we don't know if it will be offered beyond that date. Please feel free to share this:

In order to take advantage of any of these specials please call me, Alan, at [781-662-8822](tel:781-662-8822) or email me at alansamthunts@gmail.com and ask for the "Camera Group Specials."

It's not a photograph until you print it! The Canon Pixma PRO 100 and Canon Pixma PRO 10 Printers are on a huge mail in rebate through 2/28/2015.

Here is a [link to the Canon Pixma PRO 100 printer](#). This is a fabulous value! We sell the printer for \$349.99 (\$499.99 on Canon's web site). If you buy the printer and one package of Canon 13x19", 50 sheets paper (\$50) luster or semi-gloss, Canon will send you a \$250 AMEX gift card rebate. You own the printer for \$99.99 plus the cost of the paper! The Pixma PRO 100 is WiFi and uses 8 color cartridges. It does an equally good job on black & white as well as color prints. It comes with a FULL set of inks (not a starter set).

The [Canon Pixma PRO 10](#) is a pigment ink printer that uses 10 cartridges, (PRO 100 is dye based). It sells for \$699.99 on Canon's web site. We sell it for \$449.99 and if you purchase the paper with it, Canon will send you a \$250 rebate. Your final cost is \$199.99 plus the paper (\$50). It is also WiFi equipped and comes with a full set of inks.

As an added special for anyone who purchases either of these printers from me, I can sell them a complete set of ink refills for \$114.99, (usually \$124.99) for the Pixma PRO 100 or \$124.99, (usually \$134.99), for the Pixma PRO 10.

If either printer is purchased, I can offer a bundle with [Adobe Lightroom 5](#) for just \$29.99, a \$149.99 value!

In order to produce good and consistent quality prints and not waste a lot of ink and paper, you should be calibrating your monitor. Also if you calibrate your monitor, your output from the printer will match what you see on your screen. Calibration is not difficult or expensive. I can offer your members/students the [ColorMunki Display Calibration Device from X-rite](#) for \$159 (regularly \$169.00).

Photographically yours,
Alan

Roamin' with Roman
Photo Tours

Roamin' with Roman Photo Tours runs instructional small group tours and workshops that cater to photographers who don't want to get lost in a crowd!!!

When comparing prices, remember that my tours include lodging (based on double occupancy) and transportations from the departure point.

I run tours to Arches, Canyonlands, Monument Valley, Zion, Bryce, Yellowstone, Grand Tetons, Florida for birds, Iceland, Tanzania, and more! See the schedule & galleries on my website for all the details and dates.

I personally lead all my tours and workshops. I take only 4 participants on my US based tours to ensure a more intimate teaching and learning environment. This small group size also gives me greater schedule flexibility. It allows me to modify the itinerary instantly, even accommodations, as weather or shooting conditions change. No other photography tour company can say that!
