

THE CABLE RELEASE

Volume 63, No. 11

June, 2016

Organized for the mutual advancement and enjoyment of photography.

The Homestretch

As predicted, most of our clubs are on Summer Hiatus. We hope all will have a great summer of fun and shooting.

The next Delegates Meeting will occur in August.

There will be no Cable Release issue published in July.

So, an early request might be in order. If you do hold a Planning Meeting between now and August, it would be a great help to upgrade your club's website to include your 2016-17 Calendar as soon as you can. Thanx , in advance.

Roamin' with Roman Photo Tours

Roamin' with Roman Photo Tours runs instructional small group tours and workshops that cater to photographers who don't want to get lost in a crowd!!!

When comparing prices, remember that my tours include lodging (based on double occupancy) and transportations from the departure point.

I run tours to Arches, Canyonlands, Monument Valley, Zion, Bryce, Yellowstone, Grand Tetons, Florida for birds, Iceland, Tanzania, and more! See the schedule & galleries on my website for all the details and dates.

I personally lead all my tours and workshops. I take only 4 participants on my US based tours to ensure a more intimate teaching and learning environment. This small group size also gives me greater schedule flexibility. It allows me to modify the itinerary instantly, even accommodations, as weather or shooting conditions change. No other photography tour company can say that!

You can contact me by e-mail: rkurywczak@gmail.com or call (908) 241-0500
