

NJFCC HONORS COMMITTEE
DIRECT SOLICITATION TO CLUBS
PROPOSER'S FORM

Dear Federation Member:

New Jersey Federation citations will be presented at Photorama in April, 2018. This is the highest commendation your Federation can bestow on those who have advanced photography in the state of New Jersey through their demonstrated proficiency and widespread service to other individuals and clubs.

The Honors Committee, therefore, is soliciting your Club recommendations for candidates worthy of such recognition. It is not a matter which should be taken lightly nor ignored. There are many who are worthy of such consideration. There are many who have served your Club interests in photography and perhaps some of your own members have provided dedicated service to others through the years.

The deadline for submission by Proposer is March 25, 2018.

APPLICATION FOR NJFCC HONORS

GENERAL INFORMATION

The New Jersey Federation of Camera Clubs has caused the establishment of a form of public recognition of individual contributions to the advancement of the art and science of photography and has directed that the honor be known as the New Jersey Federation of Camera Club Citation for the Advancement of Photography. The award takes the form of an individually written citation and is to be accompanied by a lapel button or pin to be worn by the recipient.

The Citation is to be awarded in recognition of the individual's contribution in one of two categories, but only one citation will be given to anyone individual.

1. Those who directly through the agencies or channels of the Federation and/or the affiliated camera clubs have contributed substantially to the advancement of photography.
2. Those who may contribute to the advancement of photography without regard to Federation affiliations.

For consideration the individual's contribution should have been made with some direct bearing on the State of New Jersey, either by a resident of New Jersey or one whose principal photographic work is or has been done in New Jersey or of direct benefit to photography in the State. The qualifying contribution need not have been made within any specified period of time, but may have been made over a long period, even a lifetime.

The Federation notes that photography includes a number of areas of endeavor, such as those in which pictures are produced, research and development of equipment and processes, organization and promotion, education and many others. Proficiency and service to photography, both generally and with specific bearing on Federation and member club activities will receive due consideration in the awarding of this Citation. The honors committee may, in its discretion, waive or change requirements when in its judgment the best interests of the Federation and photography in the state will be served.
