

## Membership Application Form

Established camera and photography clubs should use this form to apply for membership in the NJFCC.

As a member of the NJFCC a club will have access to the list of judges and speakers and other documentation maintained by the NJFCC. The club will be permitted to participate in the photography competitions and other activities sponsored by the NJFCC.

Complete this application and email to the federation's secretary at njfccsecretary@gmail.com or send an email to that address asking where to mail the form via USPS.

A notice regarding acceptance or not will be emailed after a determination is made by a vote to be taken at the next NJFCC delegates meeting. If accepted, dues will be payable immediately.
