Photorama 2006 cancelled

President Rick Perkowski reluctantly announced, via e-mail to staff and chairpeople, the cancellation of PHOTORAMA 2006. This decision was forced by the fact that volunteers did not step forward in timely manner to assume chair and coordinating roles necessary to make the event a success.

The possibility of cancellation was raised at the last Delegates Meeting, 15th. Several folks, who had started work towards this year's PHOTORAMA had to resign due to personal or family issues.

Planning for the next PHOTORAMA will be one of the subjects to be considered at the annual Executive Committee meeting, being scheduled. Watch your e-mail for announcement of date, time and place.

In this issue and beyond

There's not a lot happening, as we're into the summer's hiatus. Check out the schedule for those few clubs that continue to enjoy meeting throughout the summer.

We've also included results from competitions held earlier in the year but not reported.

Watch the web site and, of course, watch your e-mail for more NJFCC news. Cable release will resume publication in August and, of course, we'd welcome your timely information.
